Bon Jovi, You Give Love A Bad Name

An angel's smile is what you sell You promise me heaven, then put me through hell Chains of love got a hold on me When passion's a prison, you can't break free

You're a loaded gun There's nowhere to run No one can save me The damage is done

Shot through the heart
And you're to blame
You give love a bad name
I play my part and you play your game
You give love a bad name
You give love a bad name

You paint your smile on your lips Blood red nails on your fingertips A school boy's dream, you act so shy Your very first kiss was your first kiss good-bye

You're a loaded gun There's nowhere to run No one can save me The damage is done

Shot through the heart and you're to blame You give love a bad name I play my part and you play your game You give love a bad name
