Never know how much I love you Never know how much I care When you put your arms around me I get a fever, that's so hard to bear

You give me fever, when you kiss me Fever when you hold me tight Fever, in the morning Fever all through the night

Sun lights up the daytime Moon lights up the night I light up when you call my name And I know I'm gonna treat you right

You give me fever, when you kiss me Fever when you hold me tight Fever, in the morning Fever all through the night
