## Boney M, Young

I'm looking out the window pane And I hear the sound of pouring rain But you're not here Where did you go I wanna know what made you go away What went wrong? I'm looking out my window pane And I hear the sound of pouring rain There's no-one here to laugh with me To make the dark clouds disappear My love, what went wrong? Where did you go - there is no answer I need you now much more that ever Where did you go - why can't you be with me Where did you go - we were so tender Where did you go - why not surrender Only you can set me free I'm looking out my window pane (Oh yes) And I hear the sound of pouring rain I think of you, of someone who can Always count on love so true And I'm here - where are you? Tell me... I think of you, of someone who can Always count on love so true And I'm here - where are you? Where did you go - there is no answer I need you now much more that ever Where did you go - why can't you be with me Where did you go - we were so tender Where did you go - why not surrender Only you can set me free Where did you go - there is no answer I need you now much more that ever Where did you go - why can't you be with me Where did you go - we were so tender Where did you go - why not surrender Only you can set me free
