

Bonnie McKee, Somebody Waiting For Me

I sit alone
A dark theatre
Watching the people go by
hand in hand
Everybody but me
i stay behind
watching the credits roll by
roll roll roll right by me

Chorus

I know i wont cry
cuz there is somebody, somebody,
somebody waiting for me
out in the rain
wont cry
not tonight
cuz there is somebody waiting for me

I take a walk
the streets are busy tonight
and i am searching for you
waiting to brush your shoulder
but im alone
i watch the faces roll by
roll, roll, roll right by me

Chorus

How many words will go unspoken
Before your knockin upon my door
there are so many ways to spell heartbroken
but tonight i know who
i wont cry nomore
oh no

i lie awake
i left the porch light on
i hope it helps you to find your way
outside, i hear the thunder roll by
roll, roll, roll rightby me

Chorus

Not gonna cry tonight
cus there is somebody waiting for me
not gonna cry tonight
not gonna cry
no no no no
o yeah
no no not gonna cry
cuz there is somebody waiting for me

stay behind watching the credits roll by
roll, roll, roll right by me
