## Bonnie Raitt, Right Down The Line

You know that I need your love You've got that hold over me Long as I've got your love You know that I'll never leave When I wanted you to share my life I had no doubt in my mind And it's been you woman Right down the line

I know how much I lean on you
Only you can see
The changes that I've been through
Have left a mark on me
You've been as constant as a Northern Star
The brightest light that shines
It's been you woman right down the line

I just wanna say this is my way
Of tellin' you everything
I could never say before
Yeah this is my way of tellin' you
That every day I'm lovin' you so much more
'Cause you believed in me through my darkest night
Put somethin' better inside of me
You brought me into the light
Threw away all those crazy dreams
I put them all behind
And it was you woman
Right down the line

I just wanna say this is my way of tellin' you everything I could never say before Yeah this is my way of tellin' you Everything I could never say before Yeah this is my way of tellin' you That every day I'm lovin' you so much more

If I should doubt myself, if I'm losing ground I won't turn to someone else They'd only let me down When I wanted you to share my life I had no doubt in my mind And it's been you woman Right down the line
