

Bonnie Tyler, Back In My Arms

(Stuart Emerson)

All that I know
Is that I want you here with me
To hold you, and never let go

All that I see
Is someone I love leavin me
And thats not the way, I wanted to be

I wanna hold you
And make you mine
I wanna keep you
For the rest of my life

[Refrain:]
I want you back in my arms
I want you here in my heart again
I want you back in my arms
That's where you belong
Back in my arms

I still wake up
Thinking that you're next to me
But an empty space is all I see

All I can do
Is let you know the way I feel
And I hope one day that you feel it too

If you need take some time
I'll be waiting
If you change your mind

[Refrain]
