

# Bonnie Tyler, Fools Lullaby

Baby when I lost you, my heart stood still  
Oh baby when I kissed you gave me such a thrill  
Ooh, I'm far away from home  
Oh baby when I touched you felt a shiver on my skin  
Oh baby oh I love you, this loves not a sin  
Ooh, I'm far away from home  
I'm so alone  
Far away from home

(chorus)  
Oh it's a fools lullaby  
Oh I never meant to make you cry  
We can make a better life  
Don't make my blue eyes lie  
Oh, it's a fools lullaby  
I gave you all the best years of my life  
Baby take another chance  
And give it one more try

Oh baby if you call me, I'll be there  
Whatever happens baby, we just won't care  
Ooh, I'm far away from home  
Oh baby take my heart, let's heal the pain  
Take me in your arms, make love again  
Ooh, I'm far away from home  
I'm so alone  
Far away from home
