

# Bonnie Tyler, Give Me Your Love

I can't help if if the world is going crazy  
And the headlines get more frightening everyday  
Just as long as I'm in there with you, baby  
It's ok, it's ok

Give me your love  
Give me more than enough  
Oh baby, I need you now  
Give me your love  
Give me more than enough  
Oh baby, I need you now  
Give me your love  
Give me more than enough  
Oh baby, I need you now  
Give me your love  
Give me more than enough  
Oh baby, I need you now

I don't usually really talk about my feelings  
But with you there's such a lot I want to say  
And as long as your the one that I believe in  
It's ok, it's ok

Repeat chorus

Instrumental

And as long as your the one that I believe in  
It's ok, it's ok

Repeat chorus X 2 then fade
