

# Bonnie Tyler, Hold On

There's a storm coming  
I can see it in your eyes  
There's a heartache showing

That you can't discuss  
It's really tragic  
i can see it in your face  
You're losing something  
That you can't replace

So hold on  
Hold on  
Hold on  
Hold on  
'Cause everything changes  
It'll soon be gone  
So hold on  
Hold on  
Just hold on  
Hold on  
'Cause everything changes  
It'll soon be gone

There's a thunder rolling  
And it's heading this way  
There's a shadow showing  
In everything that you say  
There's a storm coming  
I can see it in your eyes  
Oh my heart is aching  
You know ya'  
You know you can't disguise

So hold on  
Hold on  
Hold on  
Hold on  
'Cause everything changes  
It'll soon be gone

Oh but I, I, I  
Will still be here  
Oh and I, I, I  
But I, I, I  
Will still be here  
Oh, hold on  
Hold on  
Hold on  
Stick around and baby  
It'll soon be gone

Hold on  
Hold on  
Just hold on  
Everything changes  
It'll soon be gone
