

# Bonnie Tyler, I Cry Myself To Sleep At Night

I think you like it a lot  
I think you like what you see  
I know you like what you got, babe  
That's what you got with me

\*This heart, these hands  
Are made to understand  
This girl and that man  
If we don't make it no one can  
Oh baby

Oh I cry myself to sleep at night  
I'm so in love  
'Cause I cry myself to sleep at night  
I'm all shook up  
'Cause I cry myself to sleep at night  
This woman is in love

I think you like a little solo  
A little one on one  
A little old fashioned feel good  
Make me emotionally numb

(\* Repeat)

I cry myself to sleep at night  
I'm so in love  
I cry myself to sleep at night  
I'm all shook up  
'Cause I cry myself to sleep at night  
This woman is in love

(\* Repeat)

I cry myself to sleep at night  
I'm so in love  
I cry myself to sleep at night  
I'm all shook up  
I cry myself to sleep at night  
'Cause I cry myself to sleep at night  
I'm so in love  
I cry myself to sleep at night  
I'm all shook up  
And I cry myself to sleep at night  
I'm so in love  
I cry myself to sleep at night...
