

# Bonnie Tyler, If You Were A Woman (And I Was A Man)

How's it feel to be a woman  
How's it feel to be a man  
Are we really that different  
Tell me where you stand  
I look at you, you look away  
Why do you say we're night and day  
I'd like to try another way  
Oh baby for just one day

If you were a woman and I was a man  
Would it be so hard to understand  
That a heart's a heart and we do what we can  
If you were a woman and I was a man  
If you were a woman and I was a man

How's it feel to be the hunter  
How's it feel to be the prey  
Is there really a reason  
For this game we play  
I look at you, you look away  
Why do you say we're night and day  
I'd like to try another day  
Oh darling, just one day

If you were a woman and I was a man  
Would it be so hard to understand  
That a heart's a heart and we do what we can  
If you were a woman and I was a man  
If you were a woman and I was a man

Hey, we're just two people trying to love  
Oh but how, how can we love  
With this wall between us, holding us back

If you were a woman and I was a man  
Would it be so hard to understand  
That a hearts a heart and we do what we can  
If you were a woman and I was a man  
If you were a woman and I was a man
