

Bonnie Tyler, In My Life

There are places I remember
All my life, though some have changed,
Some forever, not for better,
Some have gone and some remain.
All these places had their moments,
With lovers and friends I still can recall,
Some are dead and some are living,
In my life I've loved them all.
But of all these friends and lovers,
There is no one compared with you,
And these memories lose their meaning
When I think of love as something new.
Though I know I'll never lose affection
For people and things that went before,
I know I'll often stop and think about them
In my life I love you more.
Though I know I'll never lose affection
For people and things that went before,
I know I'll often stop and think about them
In my life I love you more.
In my life I love you more.
