

# Bonnie Tyler, Nobody Better

(Stuart Emerson)

I guess that you could say experience is mine  
It's the only way to know where to draw the line  
On what you really want and what you feel ain't good enough

And when I get something good I never let it go  
And you're the one I want, I got to let you know  
You got it all, no one could ask for more

[Refrain:]

Nobody can have me like you do  
Nobody can touch me like you do  
When it comes to love there's nobody better than you

It's not the way you move  
It's not the way you talk  
It's not the way you look  
Or the way you walk  
It's something in your eyes  
That makes me feel satisfied

And when you came into my life  
You set my heart on fire  
And if I said I'd loved before  
You know I'd be a liar

[Refrain]

I can't get enough  
I must confess  
I can't believe my luck  
And I know it's gonna last

[Refrain]
