

# Bonnie Tyler, Soon Will Be Too Late

Morning has broken with silence in my room  
Eyes have been opened with pain beneath the moon  
Feelings that are colder than ice upon a rock  
Endless nights in anger and hours filled with talk

Beauty of a lifetime a crystal-clear romance  
Were supposed to be mine and join me in a dance  
Days were filled with pleasure no clouds were in my sight  
Love was our treasure that no one could deny...

But where do we go from here?  
Soon will be too late to  
Go anywhere from here  
Soon will be too late

Hopefully dreaming that love will still survive  
Deeply within me a song that never dies  
All those days of passion and all those lonely nights  
Must have been worth something they lightened up my life

Come and lay beside me let gentle love be real  
Look into my eyes for this is how I feel  
Let me wipe your tears away you don't need to be sad  
Share with me your dreams that once were all we had

But where do we go from here?  
Soon will be too late to  
Go anywhere from here  
Soon will be too late

Where do we go from here?  
Where do we go from here?  
Where do we go from here?
