Turn around

Every now and then I get a little bit lonely

and you're never coming round

Turn around

Every now and then I get a little bit tired of listening to the sound

of my tears

Turn around

Every now and then I get a little bit nervous that the best of all the

years have gone by

Turn around

Every now and then I get a little bit terrified and then

I see the look in your eyes

Turn around, bright eyes

Every now and then I fall apart

Turn around, bright eyes

Every now and then I fall apart

Every now and then i get a little bit breathless

and i crave of something right

Every now and then i get a little bit helpless and i'm

lying like a child in your arms

turn around

Every now and then i get a little bit angry and i know

i've got to get out of ground

turn around

Every now and then i get a little bit terrified but then

i see the look in your eyes

turn around bright eyes

Every now and then i fall apart

turn around bright eyes

every now and then i fall apart

And I need you now tonight

And I need you more than ever

And if you only hold me tight

We'll be holding on forever

And we'll only be making it right

'Cause we'll never be wrong

Together we can take it to the end of the line

Your love is like a shadow on me all of the time

I don't know what to do

I'm always in the dark

We're living in a power keg

And giving off sparks

I really need you tonight

Forever's going to start tonight

Forever's going to start tonight

Once upon a time I was falling in love

But now I'm only falling apart

There's nothing I can do

A total eclipse of the heart

Once upon a time there was light in my life

But now there's only love in the dark

Nothing I can say

A total eclipse of the heart

(Big Instrumental)
