

Bosson, One In A Million

You're one in a million
Oh
Now
You're one in a million
Oh

Sometimes love can hit you every day
Sometimes you can fall for everyone you see
But only one can really make me stay
A sign from the sky
Said to me

[Chorus]
You're one in a million
You're once in a lifetime
You made me discover one of the stars above us
You're one in a million
You're once in a lifetime
You made me discover one of the stars above us

I've been looking for that special one
And I've been searching for someone to give my love
And when I thought that all the hope was gone
A smile, there you were and I was gone

I always will remember how I felt that day
A feeling indescribable to me
Yeah
I always knew there was an answer for my prayer
And you, you're the one for me

[Chorus x 2]

In the beginning I was cool and everything was possible
They tried to catch me but it was impossible
No one could hurt me it was my game
Until I met you baby and you were the same
And when you didn't want me I wanted you because
The funny thing about it is I liked the show
I like it when its difficult
I like it when its hard
Then you know its worth it
That you found your heart

[Chorus x 2]

You're one in a million
Oh
You're one in a million
