

# Bounty Killer, Say You Leaving

[Intro:]

She say that she's leaving, because I'm hot and deceiving (I don't know why)  
She's leaving, she's hurting  
But what a bond to break, what a bond, people try to instigate  
But it's never wise to make decision when your mad  
Remember, think, concentrate, it's better try to relate, straight, straight  
Lady! Gal! Huh!

[Chorus:]

Say you leaving and the reason is clear  
Because I am a gangster and she's living in fear  
In case that I don't make it is the news you will hear  
I got something to tell you baby are you prepared  
You say that you are leaving and the thoughts had been grieving  
Mistakes that I made, make me look deceiving  
If I have her this morning you too wonderful this evening  
Breakup to makeup, love is the reason  
Say that you are leaving and the thoughts had been grieving  
Mistakes that I made, make me look deceiving  
If I have her this morning you too wonderful this evening  
Breakup to makeup, love is the reason

Di prettiest ting my eyes ever behold  
Your worth to me more than money and gold  
So make the love unforze so let's take a stroll  
Killa nah go diss yah for no other soul  
So get this straight and put it inna yuh mole  
Sor for this love yuh nah fi pay mi nuh toll
