Boy George, Time (Clock Of The Heart)

Don't put your head on my shoulder Sink me in a river of tears This could be the best place yet But you must overcome your fears

Chorus:

In time it could have been so much more The time is precious I know In time it could have been so much more The time has nothing to show

Because time won't give me time And time makes lovers feel Like they've got something real But you and me we know They've got nothing but time And time won't give me time Won't give me time

Don't make me feel any colder Time is like a clock of my heart Touch we touch was the heat too much I felt I lost you from the start

Chorus (Repeat to end)
