

Boys Like Girls, Life Of The Party

Well, I've been waiting like all week long
And the DJ's playing our favorite song
Well, he's got me singing na na na na na
Na na na na yeah

Tell me what you're drinking, gonna get you right
Tell me little baby, we'll be rockin' all night
I wanna get you singin' na na na na na
Na na na na yeah

When it all comes crashing down
Tell me who's beside?

You get one chance, you only get one shot
So come on pretty baby show me what you got
Show me how you sing it, na na na na na
Na na na na yeah

The night flies by, no the sun don't wait
So smoke 'em if you got 'em before it gets too late
Everybody's singin' na na na na na
Na na na na yeah

When it all comes crashing down
Tell me who's beside you now?

Be the life of the party
You won't be sorry
Tell me who are we if we ain't with our friends?
It's the end of the world
All you boys, all you girls
Put your hands together, let me hear an Amen
(A million na na na's)

When it all comes crashing down
(when it all comes crashing down now, when it comes down who you gonna call now?)
Tell me who's beside you now?
