

# Boys Like Girls, Someone Like You

I'm wearin' thin,  
I couldn't tell you,  
The city I'm in,  
The streets and the buildings,  
The places I've been,  
Or where the star's goin',  
It's daylight again,  
Or where the time went.

Oh. who can save me now?

My life in the rear view,  
I'm running from Jesus,  
Dont know where I'm goin' to.  
Got nothin' to lose, I'm fightin' my demons,  
Been lookin' for someone like you,  
I've been lookin for someone like you.

So, sing me a song,  
I know all the words to,  
And I'll sing along,  
Could you be my savior?

Been out here too long,  
And I've just been lookin' for somewhere to belong  
theyll be holdin on

So, can you save me now?

My life in the rear view,  
I'm running from Jesus,  
Dont know where I'm goin' to.  
Got nothin' to lose, I'm fightin' my demons,  
Been lookin' for someone like you,  
I've been lookin for someone like you.

When the stars explode,  
And I'm all alone,  
When they start to see the smoke,  
When I'm finally burnin' out,  
I'll need someone to carry me home safe and sound.

My life in the rear view,  
I'm running from Jesus,  
Dont know where I'm goin' to.  
But I got nothin' to lose, I'm fightin' my demons,  
Been lookin' for someone like you,

My life in the rear view,  
I'm running from Jesus,  
Dont know where I'm goin' to.  
Got nothin' to lose, I'm fightin' my demons,  
Been lookin' for someone like you,  
I've been lookin for someone like you,  
I've been lookin for someone like you.
