

BoyWithUke, Babydoll

Ooh, ooh, ooh
Ooh, ooh, ooh
Ooh, ooh, ooh
Ooh, ooh, ooh

You got them purple socks with the llamas on them
Must've missed your call, and the drama all up
In between the walls of nirvana, wanna
Make it all my fault? Make a scene?

Babydoll, watch me fall, oh, we could've had it all
Take me down, watch me drown, clean the writing on the wall
Let the rain hit my face, I've been calling out your name
Pull the trigger, run away, run away, run away

No, I don't think we should hang out
I get confused when you're around
It's crazy as hell to say, I know
But I think it's time to let you go
Ooh, ooh, ooh
Ooh, ooh, ooh
I think it's time to let you go
Ooh, ooh, ooh
Ooh, ooh, ooh
I think it's time to let you go

Baby, you're making the day go
By so slow, I may be mistaken
Waiting for moves to be made despite
These woes, I need to be patient
Lately, I seem to be late for
Everything, I wish I could fake it
You say I'm hard to be there for
But your heart was always so vacant

Babydoll, watch me fall, oh, we could've had it all
Take me down, watch me drown, clean the writing on the wall
Let the rain hit my face, I've been calling out your name
Pull the trigger, run away, run away, run away

No, I don't think we should hang out
I get confused when you're around
It's crazy as hell to say, I know
But I think it's time to let you go
If only I met you in my dreams
If only I were still asleep
You showed up at 10, I left at 9
'Cause you're the right one at the wrong time
Ooh, ooh, ooh
Ooh, ooh, ooh
I think it's time to let you go
Ooh, ooh, ooh
Ooh, ooh, ooh
I think it's time to let you go
