

# BoyWithUke, Blue

I like everything that's blue  
Like the color of my room  
But almost every day  
The skies are colored gray  
I do the best that I can do

I like everything that's blue  
Like when her eyes shine like the moon  
Like a slap against my face  
I love the aftertaste  
I've got nothing left to lose

The ocean says that I can go wherever  
But it lies, I tried so hard to be myself despite this weather  
We're up all night 'cause we don't like the treasure  
That we find, I'll right the wrongs I wrote to get us back together

I tried so hard to be myself despite this weather  
I tried so hard to be myself despite this weather

I like everything that's blue  
Like the TV when it's mute  
I'm trying not to rest, but I'm lying on my bed  
With my self-inflicted bruise  
I like every, wait

I'll keep you from my heart, far away from harm  
Got teeth along my arms when I hold you  
I'll keep you in the dark, where I don't know where you are  
It's so hard but I have to  
So run away from me, I'm not what you see  
Tearing down the lights in my bedroom  
It's better if I'm blind, and I don't know where to find you

The ocean says that I can go wherever  
But it lies, I tried so hard to be myself despite this weather  
We're up all night 'cause we don't like the treasure  
That we find, I'll right the wrongs I wrote to get us back together

I tried so hard to be myself despite this weather  
I tried so hard to be myself despite this weather

Blue  
If only I had thought it through  
I'm running out of breath  
And it seems as if you're deaf  
I liked everything with you
