

BoyWithUke, Bok Choy

Oh I'm just a lost boy, I'm suffering
I'm stuck with the Bok Choy and I miss my friends
Where do we go babe? Where is my home?
Oh I'm just a lost toy and I lost my soul
I said I lost my soul
Do someone know where I go?
Oh I can feel that I'm close

Oh I'm just a lost boy, I'm suffering
I'm stuck with the Bok Choy and I miss my friends
Where do we go babe? Where is my home?
Oh I'm just a lost toy and I lost my soul
I said I lost my soul
Do someone know where I go?
Oh I can feel that I'm close
