

BoyWithUke, BoyWithUke

Can't get you out my gaze and
Can't feel my legs when you're around
I feel so lost, I feel so found
You're poison to my thoughts, but
You look amazing in your gown
I'm feeling great, I'm feeling down

Wishing I could see how you could end up in my arms
I know that you're not perfect for me, but you've caught my heart
I'll sail the seas, sing the ABC's in the war to win you over I swear
You had me right from the start
Let's build a fort out of pillows while we look at the stars
I'll bring a portable charger and we'll dance in the dark
Am I insane for thinking forward to a time so far?
It makes me feel so tired
It makes me rhyme so hard

I see your lovely eyes
They're hazel colored, cloudy like the sky
My oh my
I think I might die

I see through tired eyes
Your laugh makes me feel baffled
I'm your guy
But I don't mind

Can't get you out my gaze and
Can't feel my legs when you're around
I feel so lost, I feel so found
You're poison to my thoughts, but
You look amazing in your gown
I'm feeling great, I'm feeling down

And I don't think if we go home now
We'll be safe and sound, I don't feel profound
Cause it's 4 in the morning, I can feel the forest
Stuck in a cave, fell without a warning

Am I just going insane?
I swear we've done this before
I can't choose to relive this pain
But I keep searching for more

I see your lovely eyes
They're hazel colored, cloudy like the sky
My oh my
I think I might die

I see through tired eyes
Your laugh makes me feel baffled
I'm your guy
But I don't mind

Yeah, your lovely eyes
Yeah, I don't mind
It's the hazel eyes
