

BoyWithUke, Falling For You

If you want me to, I'll go
And sit next to you
All my thoughts, but I am alone

I'm falling for you ooooh ooooh
I'm falling for you ooooh ooooh
I'm falling for you ooooh ooooh

I close my eyes but I'm too slow
I can't travel on this winding road

Baby save me, take me home

I'm falling for you ooooh ooooh
I'm falling for you ooooh ooooh
I'm falling for you ooooh ooooh

I said I'm falling for you!
I said I'm falling for you!
I said I'm falling for you!

I'll hold my breaths which should too stretch

Foot steps, first tune

Never thought that I would ever fall in love with you

Black out on the bad thoughts of you
Falling out of forfeit I lose
My bad till I catch a glimpse of your shoes
And knew that you were broken too
So I'll lock you up before I circle too
Never thought that I could ever fall for you
Broken Love but paper Hearth, I'll juke cause then you'll love

But I'm...

I'm falling for you
I'm falling for you
I'm falling for you

I said I'm falling for you!
I said I'm falling for you!
I said I'm falling for you!
I said I'm falling for you!
