

# BoyWithUke, I Wish

I wish I was in your class  
I only see you in the halls  
I wish I could hold your hand  
And pull you close  
But we don't even talk at all  
At all  
At all  
At all

I don't wanna be that guy  
I'm kind of shy  
I mean I don't feel like just saying hi  
And I don't wanna be alone  
I just wanna be at home  
Next to you  
With my tunes

I wish I could call you baby  
But I don't think it's happening now  
Feeling like a lost cause since the beginning  
And it just don't want to be found  
I don't wanna try too hard to be different  
And I don't wanna be too loud  
Oh baby  
I won't make a sound

I wonder if we'll ever meet  
I hope I see you again  
I hope you're healthy  
So I get to see you laugh with your friends  
Ever since my favorite letters have been  
Y, R, U, A, Q, T  
TV Documentaries can make a series  
Talking bout your beauty  
I think of Paris when I'm thinking of a future  
It's true  
I know it's weird cause you don't know me  
And I still don't know you  
In my dreams we're having birthday parties  
With presents I love  
But I wish I could have you  
I, R, L  
But I'm not enough

I wish I could call you baby  
But I don't think it's happening now  
Feeling like a lost cause since the beginning  
And it just don't want to be found  
I don't wanna try too hard to be different  
And I don't wanna be too loud  
Oh baby  
I won't make a sound
