

# BoyWithUke, Letter For My Bed

Sorry please excuse me for the mess  
I promise it's a temporary issue  
I'm tired let me lay down on your chest  
We can go to CVS together looking for some tissues  
I just wanna wake up every morning  
And just fall back asleep  
I'm on a phone call with Roald Dahl  
We're friends in my dream  
I get the sore jaw treatment  
From when I grit my teeth  
I feel my stress overwhelming me  
Until I'm deadbeat, no

I can't say no  
I can't say no to you  
I can't say no  
I can't say no it's true

When I feel like a pain  
Like a burden go  
Take another day cause it's hurtin' oh  
I feel you close to me  
(Melatonin upping the dose, it's not killing us)  
(Melatonin upping the dose, it's not killing us)  
Because no matter where we go  
Circumnavigate the globe  
Space probes and UFOs' will keep us company  
(Melatonin upping the dose, it's not killing us)  
(Melatonin upping the dose, it's not killing us)

I can't say no  
I can't say no to you  
I can't say no  
I can't say no it's true

I can't say no  
I can't say no to you  
(Melatonin upping the dose, it's not killing us)  
(Melatonin upping the dose, it's not killing us)  
I can't say no  
I can't say no it's true  
(Melatonin upping the dose, it's not killing us)  
(Melatonin upping the dose, it's not killing us)
