

Boyz II Men, Aaliyah Song (Think Of Aaliyah)

every once in a while
i see a smile
it turns my day around
girl with those eyes
it can stare through the lines
and see what your heart was saying
think of aaliyah left
dont cry i know
she'd want it that way
when you think of aaliyah left
dont cry i know she'd want it that way
friend of a friend
friend 'til the end
that's the kind of girl she was
taken away so young
taken away without a warning
think of aaliyah left
dont cry i know
she'd want it that way
when you think of aaliyah left
dont cry i know she'd want it that way
i know you
and you're here
in everyday we live
i know her
well she's here
i can feel her when she sings
aaliyah ,
where are you now
are you far away from here
i dont think so
i think you're here
taking our tears away
think of aaliyah left
dont cry i know
she'd want it that way
when you think of aaliyah left
dont cry i know she'd want it that way
i know she'd want it that way
i know she'd want it that way
i know she'd want it that way
i know she'd want it that way
