

Boyz II Men, Beautiful woman

La da da da da da

La da da da da da

Ahh

You can find them on the cover of a magazine

The finest woman you'll ever see

It would be my fantasy

To have them all surrounding me

All of their love, it seems

They wanted things that they can only get from me

The best thing about it all

Is I can have it if

I only keep dreaming

From the shores of Baha

To the streets of Miami

(Beautiful women)

From the beauty salons

To the beaches in Maui

(Beautiful women)

From the coffee shop

To the west Indies

Can you hear me? (yes)

Every place, every town

If you just look around

You'll find beautiful women

1 - Black, Puerto Rican

Haitian, Dominican

Beautiful women

Indian, Cuban, Jamaican

In all of the nations

Beautiful women

Eastcoast, westcoast

City to the meadow

Burbs to the ghetto

Beautiful women

From Cairo, to Rio, to Montigo

Beautiful women, yeah

You know there's no way I could ever be

Without their sensualities

And everytime I think that I break free

It's like they always find me

Everywhere I go, it's like a video

You know exactly what I mean

If there could only be 3 more of me

Then I could keep all these beautiful women

There they go

Doin' what they do to

Make a man go crazy

But it just ain't fair

Cuz they've got us in a daze

What makes me so amazed

Is that they know it

Cuz they're beautiful

Woo, woo, woo, ooh

Ooh ooh, ooh yeah

Oooh ooh

Yeah

Oh

Repeat 1

Repeat 1

From the shores of Baha

To the streets of Miami

From the beauty salons

To the beaches in Maui

From the coffee shop

To the west Indies
Can you hear me?
Every place, every town
Beautiful women
Repeat 1 to fade
