

Boyz II Men, Can You Stand The Rain

On a perfect day
I know that I can count on you
When that's not possible
Tell me can you weather the storm?

'Cause I need somebody
Who will stand by me
Through the good times and bad times
She will always, always be with me

Chorus:
Sunny days
Everybody loves them
Tell me
Can you stand the rain?
Storms will come
This we know for sure
Can you stand the rain?

Love unconditional
I'm not asking this of you
We've got to make it last
I'll do whatever needs to be done

'Cause I need somebody
Who will stand by me
when its storm she won't run
She will always, always be with me

Can you stand the rain

No pressure
No pressure
From me baby

Cause I want you
And I need you
And I love you

Will you be there for me?
Can you stand the rain
