

# Boyz II Men, Dreams

Here I am again ,  
wondering if you're ok  
can't stop this troubled heart 'coz we're apart.. miles away  
phone pressed up to my ear, wish you were here, holding me  
a face to go with your sweet voice would bring me joy ...totally

Chorus

I know I can't be there, but baby it's all right  
I'll be waiting for you tonight  
I pray that you'll be there when I close my eyes  
meet me in my dreams ...tonight

One thing that never changes no matter what..  
I can't wait to see you, can't wait to feel you  
and there's a place of our own where we can go, nobody knows  
I'll close my eyes real tight and make love to you all night..

Chorus

I know I can't be there, but baby it's all right  
I'll be waiting for you tonight  
I pray that you'll be there when I close my eyes  
meet me in my dreams ...tonight

I wish I may, I wish you might  
find sometime when you sleep tonight  
to think of me and I'll appear before your eyes  
it's my paradise, your world  
you're my heart, my life, my girl,  
oooh can't wait to go to sleep 'cos there's a possibility...  
you'll meet me..

Chorus x 2

I know I can't be there, but baby it's all right  
I'll be waiting for you tonight  
I pray that you'll be there when I close my eyes  
meet me in my dreams ...tonight

I know I can't be there, but baby it's all right  
I'll be waiting for you tonight  
I pray that you'll be there when I close my eyes  
meet me in my dreams ...tonight
