Boyz II Men, I Sit Away

Who says the sea can't move in winter Or clouds stand still in a storm Who says a man can't cry And be lonely Who says a man can't tend to be bored And if you could see inside my heart You would see loneliness And if I could show you my mind You would be depressed

Chorus:

Said I sit away lonely And I get away only in my mind Said I sit away lonely And I get away sometimes

So I gather my things And be on my way Into my lonely place Said I'm feelin' lonely and lonesome And I just need to get away

And if you could know what I'm afraid of You would be frightened And if you could feel the pain that I'm feelin' Then you would know why, I

Chorus

Breakdown: Sit away Said I get away Said I sit away Said I sit away

Why do I feel Like I will never be loved again There I go Back in my mood again Lonely, lonely

Chorus
