

# Boyz II Men, III Make Love To You (Make Love To You Version)

Mike's monologue:

Turn off the lights on your way over here

Come here

Take your clothes off

Slowly, I wanna enjoy each layer peel from your body

Shhh

Don't say a word

Just lay back

Close your eyes

And tell me what dreams run through your head (of you and me me and you)

I've got some of my own that I want to share

Here and now babe

Don't say a word (10, 9)

I'm like a rocket on a rise (8, 7)

I'm ready to explode (6, 5, 4, 3, 2, 1)

Take control of my love and feel the passion

'Cause I will do anything, girl you need only ask it baby

Chorus:

I wanna make love to you

Holding you all night long

I wanna make love to you

And I will not let go

'Till you tell me to

I wanna make love to you

Holding you all night long

I wanna make love to you

And I will not let go

'Till you tell me to

Girl relax

Let me near your body so I can do the things, oh

I'm gonna concentrate on you

That's all I wanna do

Are you ready, it's gonna be a long night

Throw your clothes on the floor

'Cause I took mine off at the door

So hit the lights babe and explore

Girl when you ask me inside, you don't have to ask anymore

Chorus

Baby tonight is your night

And I will do you right

Just make a wish on your night

Anything that you ask me

I will give you the love of your life

Chorus
