

# Boyz II Men, Just Like Me

Why in the hell does this keep happenin to me  
Every time I find someone and think I can be happy  
It's like just in a matter of weeks  
We go from A to Z  
And I go from knowin to wonderin  
Then she goes along and writes another song  
That changes the one I used to sing  
The songs so beautiful it can't be wrong  
But if I take this step, it'll change everything  
And I'm about to lose it

[Chorus:]

If I can get you to think just like me  
We'd be happy  
My hearts on the brink, it's not what you think...it could be  
If I could get you to think just like me  
It would be cool  
And then the love would be everything it should be

I feel this girl shouldn't be on my mind  
But she does all the right things  
At the wrong damn times  
I should just try it, but NO  
I think about crossing that line

I mean, I've been accused so many times for that crime  
I might as well ahve  
But if I did it I would admit it  
Cause it's the path my heart will lead me too  
I'm so afraid of what would become of my world  
It's the reason why I stand here so confused  
And I'm about to lose it

[Chorus]

Darlin listen...this is not a dirty thing...it's pure  
If we were on the same page...You'd be sure  
You see what I see...feel what I feel  
Know what I need for our love to heal

This is not a dirty thing...it's for real  
All we need is understanding to prevail  
You would see what I see...feel what I feel  
Know what I'd need for our love

[Chorus]

[Repeat chorus]
