Boyz II Men, Let It Snow

Let it snow, let it snow

Hey, it's another Christmas Holiday It's a joyous thing let the angels sing Cause we're together We got a thing can't let is slip away When our bodies meet I don't care about the weather

Let it snow, let it snow Outside it's could but the fires blazin So baby let it snow Let it snow, let it snow, let it snow

Ohhhh, come over here and help me trim the tree I wanna wrap you up baby
Then you'll see you're the only present I need
There's so much more
Waiting for you in store
From this precious day
I can gladly say
There's no place I'd rather be
I know you are my everything, com a little closer
God must have sent you down from heaven

Let it snow, let it snow Outside it's could but the fires blazin' So baby let it snow Let it snow, let it snow, let it snow

Let it snow, let it snow Let it snow, let it snow I don't care what the weather may be As long as you're here with me
