

Boyz II Men, Lovely

Lying here
with my arms above my head
Hungry for your love,
waiting to be fed
Your body speaks to mine
and I understood every word
Told me that you needed me,
at least that's what I heard
I'm trying to hold on,
but I don't know for how long
(Don't make me wait too long)

Chorus:

Love me, lovely
Love me, lovely
Lovely, love me right
Breathe me, taste me
Touch me, take me
in your arms tonight
All I wanna do is
watch you, watch me
Feel you
Fill me up with pure delight
That makes it easier to
Love thee, lovely
Love me, lovely
Lovely, love me right
Love me right

Why don't you tell me
what you want from me, girl
Let me dive into your ocean,
so I can find your precious pearls
As the moon invades our bedroom
and reveals the sweat on your back,
it increases my intensity,
to go there and never come back
I'm trying to hold on,
but I don't know for how long
(I need you)

Chorus:

Love me, lovely
Love me, lovely
Lovely, love me right
Breathe me, taste me
Touch me, take me
in your arms tonight
All I wanna do is
watch you, watch me
Feel you
Fill me up with pure delight
That makes it easier to
Love thee, lovely
Love me, lovely
Lovely, love me right
(Love me)
Love me right

Bridge:

Oh how you tease me
Driving me crazy
Want you to please me,
so come on lady

(Girl, come on)
Coz I'm 'bout to touch
She takes a step back
See her getting excited,
by the way I react
Movin in slow
I can smell her perfume
(You smell so good)
She's moving closer still
I know my time's coming soon
(Oh, here it comes)
Baby, are you ready
Can't take it no more
I don't think you're ready,
for all that I have in store
I'm trying to hold on,
but I don't know for how long
(Come on, girl, I need you
Take me right now)

(Love me
Love me
Love me right now
Touch me
Touch me
I'll make you feel so good)

Lovely lady, love me right
(Right now)
Take me in your arms tonight
(Take me here, baby)
Fill me up with pure delight
(That's what I'm talking about)
Lady, won't you love me right
(I want you so bad)

Chorus:
Love me, lovely
Love me, lovely
Lovely, love me right
Breathe me, taste me
Touch me, take me
in your arms tonight
All I wanna do is
watch you, watch me
Feel you
Fill me up with pure delight
That makes it easier to
Love thee, lovely
Love me, lovely
Lovely, love me right
Love me right
