Boyz II Men, Lullaby

creed- lullaby

Hush my love now dont you cry, everything will be alright
close your eyes and drift in dream
rest in peaceful sleep.

If theres one thing I hoped I showed you,
if theres one thing I hope i showed u
hope I showed you,
just give love to all. (x3)

oh my love in my arms tight
everyday you give me life
as I drift off to your world
rest in peaceful sleep. (x3)

CHORUS

Lets give love to all...
