

# Boyz II Men, Please Don't Go Away

Hey baby I'm sorry  
I never meant to hurt you  
Please don't go  
Slowly my eyes began to see  
That I need you near right with me at all times, yeah  
My feelings are so be here for you  
That I won't let go, ooh no, of you

Bridge:

I can't let this love (Slip away)  
And I can't turn it around (Can't you see)  
And only then.....

Chorus:

Please don't go away from me  
( I'll be there for you)  
When you call my name (call my name)  
I'll reach out my hand to you  
(And I Welcome you ) To my hearth (my future my hearth)  
Please don't go away from me

We can work it out

Whatever it may be girl

Please don't go(no,no,no,no,no,please don't go)

You know, It's not often that we see each other,

That's why I cherish every moment that we spent each other.

When you're away, Temptation may come

Above of when I get caught up (by you) (3x) , I let go

Thinking about you these day

I feel (I love you and I never let go) your love makes my hands spin  
round and round in a day , yeah oh baby

Bridge

Chorus 2X

Please don't go away

shum,dum,dum

Dum(9x)

I'll be there, I'll be right there (7x)
