## Boyz II Men, Uhh Ahh (Dedication Mix)

Chorus: Uhh Ahh Uhh Ahh Uhh Ahh Uhh Ahh

The love I have right next to me Is here and always will be I'm caressing your body emotionally As you can feel and will see

Oh tell me why can't we go all the way to the top The fullest extreme The sounds are here when you're with me Express the way that you feel And you say...

## Chorus

In a passionate set we're moving close Every bit of love that we share is the same I can tell when I reach down deep inside You show it when you call out my name

Squeezing you tight and holding you close Is all I feel inside Although I try to hold in my love It's something that I just can't hide

## Chorus (repeats twice)

Mike (Spoken)
The music is low
The lights are dim, there we lie
Passion overflows
With every look in your eyes
Infatuation, lust and a lot love
Sweet caresses and yes' to me as you rub
And clench my back
Ecstacy fills the air
As you kiss on my neck
And stroke the back of my hair
To hold you tonight
I feel this is my duty
To grasp, to hold, to rock that booty

Chorus (repeats and fades out)
