

Boyz II Men, Under Pressure

Boyz II Men practice harmonizing

Spoken: Hey guys?

Boyz II Men: Yo what's up y'all

Hey why don't we do something for the jeeps you know?

Boyz II Men: Yeah that's cool, like what though?

Like some harmony over the hip hop tracks?

Boyz II Men: Yeah, I'm with it, I'm with it

Here check this out

Wait a minute, wait a minute, (clears throat) Now!

There's a girl I know who look so fine

She really turns me on

My friends said I should

But it's takin' me too long

Every time I get the nerve to call

She is never home

I leave another message

And I sit here all along

She's got me

Chorus

Under pressure

And the feelin' is killin' me

Under pressure

Why is it oh so strong

I don't wanna be along

So I got a chance to talk to her

To see just wher we stand

If she felt the same about me

Could I be her only man

I tried to write it out

That we could have some fun

But before I got an answer

She said she had to run, it's got me

Chorus (repeats four times)
