Bracia, Heart of fire

I've been around so many times I,ve made a twenty thousand miles I love it all no matter what you're thinking It makes me cry, It make me laugh but The only thing that i would die for Is freedom babe, no matter what's you're thinking. No, no... I don't wanna stay here ' cause i'm... Ref. Like a river, like a storm Snap your fingers and i'll be gone Like a razor, like a knife Cutting slowly through your heart of fire, babe... 2. Night after night, day after day I must be always on my way it's gonna last from now until forever You never tried to understand that The highway is my only friend, yeah I know one day it'll lead me straight to heaven No, no... I don't wanna stay here 'cause i'm... Like a river, like a storm Snap your fingers and i'll be gone Like a razor, like a knife Cutting slowly through your heart of fire, babe...
