

Brady Seals, I Fell

I didn't believe in love at first sight
'til you walked in that night
When my eyes met yours it took no time at all
'Cause right then and there i knew
I fell in love with you
There was nothing i could do stop the fall

Chorus

And i fell
Like a penny in the wishing well
Like a prince in a fairy tale
Who woke up in a beautiful dream that just came true
I fell, in love with you

Verse

I swore I'd never fall in love again
But somehow forever always ends
When you take the chance girl, that's the chance you take
There was nothing i could do
To hold me back from loving you
When your lips touched mine i felt the whole world change
Yes i did

chorus

I fell
Like a penny in a wishing well
Like a prince in a fairy tale
Who woke up in a beautiful dream that just came true
I fell, in love with you

chorus again

I fell
Like a penny in a wishing well
Like a prince in a fairy tale
Who woke up in a beautiful dream that just came true
I fell, in love with you
I fell
In love with you
