

Brady Seals, My Love

Get on your mark get set
Ready or not here I come
You've been looking for love
Well honey I can give you some

When your world is standing still
I can turn it around
Put your head up in the clouds
And pick your feet off the ground

My love
Are you ready for my love my love
My love my love is ready for you
If you're looking for a heart that's always true
Only to you
Then my love
My love my love is ready for you

Girl I've heard it said
That love is food for the soul
I see the hunger in your eyes
Burnin' out of control

My love is overflowing
From a loving cup
Girl I know you're down
But love will lift you up

My love
Are you ready for my love my love
My love my love is ready for you
If you're looking for a heart that's always true
Only to you
Then my love
My love my love is ready for you

My love is overflowing
From a loving cup
Girl I know you're down
But love will lift you up

My love
Are you ready for my love my love
My love my love is ready for you
If you're looking for a heart that's always true
Only to you
Then my love
My love my love is ready for you
My love my love is ready for you
My love my love is ready for you
