## Brandy, Should I Go

## VERSE 1:

I'm standing on the edge of the industry Wondering if it's all that important to me

To get my records back out there on the streets

It ain't like I'm hurting or anything

I'm to the point right now where money ain't an issue

I can roll where I want to, do what I wanna do

Tempted to leave it in my rear-view

Because this game ain't what I'm used to

CHORUS: Should I go? Should I stay?

I'm in control either way

Should I go? Should I stay?

I'm in control either way

Should I go? Should I stay?

I'm in control either way

Should I go? Should I stay?

I'm in control either way

VERSE 2:

It used to be a few artists at a time

Now, even the veterans wait in line Pre-mature release all these albums online

Makin' it hard for real entertainers to shine

If you manage to defeat all these odds against you

Kéep doin' your thang 'cause I'm not mad at you

Just tryin' to figure out where I fit into

All of this now, or if I do

CHORUS:

Should I go? Should I stay?

I'm in control either way

Should I go? Should I stay?

I'm in control either way

Should I go? Should I stay?

I'm in control either way

Should I go? Should I stay?

I'm in control either way

VERSE 3:

This industry was more like a different world

When it was just me, Monica, and Babygirl

Aaliyah, I never got to tell you how much you meant I wish you and me both was sittin' here workin with Tim

Just to be in the presence of people that you affected on a personal level

Just makes me stop for a second (pause & amp; exhale)

You were such a blessing

You help me answer all of my questions

CHORUS:

Should I go?

Should I stay?

I'm in control either way

Should I go?

Should I stay?

I'm in control either way

Should I go?

Should I stay?

I'm in control either way

Should I go?

Should I stay? I'm in control either way **BRIDGE**: Well, I gave it some time And I made up my mind Move over, this is my time B-Rocka's back on the grind **CHORUS**: Should I go? Should I stay? I'm in control either way Should I go? Should I stay? I'm in control either way Should I go? Should I stay? I'm in control either way Should I go? Should I stay? I'm in control either way Oh oh oh oh Ooooooh ooooh oh oh Oh oh ooooh oooh Oh oh whoa ooooh oh
