

# Brass Against, Testify (ft. Sophia Urista)

The movie ran through me  
The Glamour subdue me  
The tabloid untie me  
Im empty please fill me  
Mister anchor assure me  
That Baghdad is burning  
Your voice it is so soothing  
That cunning mantra of killing  
I need you my witness  
To dress this up so bloodless  
To numb me and purge me now  
Of thoughts of blaming you  
Yes the car is our wheelchair  
My witness your coughing  
Oily silence mocks the legless  
Boys who travel now in coffins  
On the corner  
The jurys sleepless  
We found your weakness  
And its right outside your door  
Now testify  
Now testify  
Its right outside your door  
Now testify  
Yes testify  
Its right outside your door  
With precision you feed me  
My witness Im hungry  
Your temple it calms me  
So I can carry on  
My slaving, sweating,  
The skin right off my bones  
On a bed of fire Im choking  
On the smoke that fills my home  
The wrecking ball is rushing  
Witness your blushing  
The pipeline is gushing  
While here we lie in tombs  
While on the corner  
The jurys sleepless  
We found your weakness  
And its right outside your door  
Now testify  
Yeah testify  
Its right outside your door  
Now Testify  
Now Testify  
And its right outside your door  
Mass graves for the pump and the price is set, and the price is set  
Mass graves for the pump and the price is set, and the price is set  
Mass graves for the pump and the price is set, and the price is set  
Mass graves for the pump and the price is set, and the price is set  
Who controls the past now controls the future  
Who controls the present now controls the past  
Who controls the past now controls the future  
Who controls the present now?  
Now Testify  
Testify  
Its right outside your door  
Now Testify  
Testify  
Its right outside your door
