

Bratz, I Won't Stop

oh oh

gotta work gotta drive
gotta search till i find what i want
cuz thats what i need
(what i need)

theres a will theres a way
i'll be strong
not afraid
cuz i beleive in me

never holding back cuz i know i can
and nows the time to start
cuz i realize that i can find
the strength inside my heart

i wont stop
never slowing down
i'm never giving in
i won't stop doesn't matter how
what it takes till the end
i know i'm gonna win
i won't stop
gonna find a way
give it everything i got
i won't stop
i've got what it takes
gonna reach for the top
and i won't ever stop

yeah
oh oh oh

when you see better stuff
but theres no giving up
look inside for the strength
you can make it
you can start
from the bar
we can get through it all
whatever they give we can take it

never holding back cuz i know i can
and nows the time to start
cuz i realize that i can find
the strength inside my heart

i wont stop
never slowing down
i'm never giving in
i won't stop doesn't matter how
what it takes till the end
i know i'm gonna win
i won't stop
gonna find a way
give it everything i got
i won't stop
i've got what it takes
gonna reach for the top
and i won't ever stop

won't stop no never gonna stop no
i'm gonna say it again (say it again)
won't stop no never gonna stop no
i'm gonna win in the end!

i won't stop
never slowing down
i'm never giving in
i won't stop doesn't matter how
what it takes till the end
i know i'm gonna win
i won't stop
gonna find a way
give it everything i got
i won't stop
i've got what it takes
gonna reach for the top
and i won't ever stop
gonna reach for the top
and i won't ever stop
gonna reach for the top
and i won't ever stop
i won't stop
