

Brave Combo, I Just Wanna

I just wanna
I don't wanna hold your hand
I just wanna
And you've got to understand
Don't take me out to the dine and dance
When all the feeling is in my pants
Love's outa luck
I just wanna...

I just wanna
You're the object of my desire
I just wanna
Cause you set my whole world on fire
No need to spend a lot of dough
On a room or a picture show
Let's go to the truck
I just wanna...

I'm asking for a little favor
And it won't take you forever
If you just give me ten minutes of your time
I'll leave you alone for the rest of the night

Instrumental break

Repeat verse 2

Let's go to the truck
I just wanna
Let's go to the truck
I just wanna
Let's go to the truck
I just wanna
