Brenda Lee, Dynamite

you're dynamite! you're dynamite!

dynamite! hey, baby when you kiss it's dynamite! hey, baby when you hug and hold me tight i just explod like dynamite if i might do all that things i'd love to do tonight then I would love you dear with all my might because you're dynamite

you do such big attraction chain reaction things to me they ought make you wear sign of danger T.N.T.

love me right hey,baby let's make history tonight the power of one hour of love's delight just knocks me out like dynamite

you do such big attraction chain reaction things to me they ought make you wear sign of danger T.N.T.

love me right hey,baby let's make history tonight the power of one hour of love's delight just knocks me out like dynamite
