Brenda Lee, For Once In My Life

For once in my life I have someone who needs me Someone I needed so long For once unafraid I can go where life leads me For once I can touch what my heart used to dream of Long before I knew someone warm like you Would make my dream come true, oh yeah For once in my life I want to miss all that hurt me Now that love's hurt me before For once I have someone I know won't desert me I'm not alone anymore For once I can say this is mine you can't take it Long as I know I have love I can make it For once on my life I have someone who needs me Ye ye yeah someone who needs me, yeah For once in my life I have someone who needs me Someone I needed so long For once unafraid I can go where life leads me For once I can touch what my heart used to dream of Long before I knew someone warm like you Would make my dream come true, oh yeah Yeah telling you right now For once in my life I have someone who needs me Somebody listen to my plea Once in my life I have someone who needs me I wanna tell you once in my life I have someone
