

Brenda Lee, He Loves You

He loves you yeah, yeah, yeah
He loves you yeah, yeah, yeah
He loves you yeah, yeah, yeah, yeah
You think you lost your love
Well I saw him yesterday
It's you he's thinking of
And He told me what to say, He said He loves you
And you know that can't be bad, He loves you and you
Know you should be glad, He said you hurt him so
He also lost his mind, but He says that He knows
You're not the hurting kind, He said He loves you
And you know that can't be bad, He loves you and you
Know you should be glad
He loves you yeah, yeah, yeah
He loves you yeah, yeah, yeah

With a love like that, you know you should be glad
You know it's up to you, I think it's only fair
Pride can hurt you too, apologize to him
Because He loves, and you know that can't be bad
He loves you and you, know you should be glad
He loves you yeah, yeah, yeah
He loves you yeah, yeah, yeah

With a love like that, you know you should be glad
And with a love like that, you know you should be glad
Yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
